
TO MY MOTHER

Of grace, affection and elegance

You are a blend,

With shoulders always to lend,

My muddle you forever mend;

On you, I infallibly depend.

My life choices, you incessantly comprehend;

And back me up as would a friend.

These few lines are just inspired

From the beautiful writings you have penned,

Which at the best, I can just commend.

My love for you can have no end,

Dear Mother, You for me are a Godsend!
